

How do I send a Team Renewal Email to team managers?

Last Modified on 30/11/2023 2:20 pm AEDT

For competitions/ leagues where teams are required to register each season, Communicator provides the ability to send an email to teams in your database with an invitation to register to the new season. This requires contact details to be present within each team's record. If not contact details are listed for teams in the past then no emails can be sent out so you will need to add them.

NOTE: you can only use this process if your organisation has set up team to association forms, where teams themsleves register via a form. Make sure this is set up within relevant questions and products before sending out the emails.

If you do not have this option, you may not have permission to send team renewals out from your level, so contact your association/state regarding this or your organisation does not have team to association registration forms listed so you will need to add them.

To send out a Team Renewal email:

- 1. From the association or club level of Membership, click on **Communications** in the menu.
- 2. The Communicator options will open. Click on **Team Renewals**.

Communicator - Options

Select from the options below:-

Send a Message	Create and send a message to your members via email or sms
Team Renewals	Send preset team entry invitations to existing team
Member Renewals	Send preset member entry invitations to existing members
Manage Custom Groups	Set up and manage communication groups
Program Renewals	Send preset program invitations to existing members
EOI Invitation	Send program invitations to eoi members
Profile	Set up and manage the sender profile settings for this account
Sent Messages	Display a log of previously sent messages

3. Under 'Choose a past season to send renewals to', click on the drop-down list and **select a past season**. Registration renewal emails will be sent to teams from that season.

If you attempt to send these to new/current season teams, nothing will occur as you have no teams registered for your new/current season yet.
