

How do I remove my member profile from public view?

Last Modified on 09/11/2023 1:08 pm AEDT

Members are able to hide their information from public view through their Member Profile, which will remove any information relevant to that member from Passport Websites and GameDay app.

To remove your information from public view, follow these simple steps:

1. Log in to your Member Profile using the email address and password you used when registering to your relevant organisation. If you do not have the link to your member profile, see the article [here](#) to find the relevant member profile for your sport.

The form has a title 'Please sign in' and two input fields: 'Email' with a placeholder 'Email Address' and 'Password' with a placeholder 'Password'. To the right of the password field are 'SHOW' and 'Forgot?' links. Below the fields is a green 'Sign in' button. The footer is black and contains the copyright notice '© Copyright GameDay. All rights reserved. | Privacy Policy' and the GAMEDAY logo.

2. Select the relevant member from the list

3. Click **EDIT PROFILE**
