

## How do I login to Passport?

Last Modified on 14/12/2023 3:06 am AEDT

To login to your GameDay Passport account, follow the steps below:

1. Go to [www.passport.mygameday.app/login](http://www.passport.mygameday.app/login)
2. Enter the username and password you created during the [sign up process](#), then click **LOGIN**

A screenshot of the GameDay Passport login interface. At the top left is the 'GAMEDAY' logo. At the top right are several small icons: a gear, a question mark, and a user profile icon. The main content area has a dark blue background with a silhouette of a person's head. In the center is a white login form. The form contains the GameDay logo and the text 'powered by stack sports'. Below this is the heading 'Login to Passport'. There are two input fields: 'Email Address \*' with the placeholder 'email@address.com' and 'Password \*' with a 'Forgot?' link. A teal 'Login' button is below the password field. Underneath the button is the text 'Don't have an existing Passport account? Please register below.' and a 'Register' button. In the bottom right corner of the form area is a small 'Privacy - Terms' link.

You will now be able to login to any Passport databases or Websites attached to your account.

To log out of Passport, open the Account Menu and click **SIGN OUT**
